

Lee's Summit Soccer Association
Concession Stand Fundraiser Policy

The Lee's Summit soccer association, (LSSA), her in referred to as "the Association" provides member teams with the opportunity to work the concession stand at Legacy Park during association activities. Such activities may include regularly scheduled games, tournament, or other related events as determined by the Board.

To apply for fundraising opportunities member teams MUST complete the appropriate sections below and mail in along with a \$100.00 deposit to reserve a date. The deposit will be forfeited if the team cancels their scheduled shift after the first scheduled game day. No team may schedule more than one shift per season without the approval of the Executive Board. Each team is required to have 8 members working at all times during the 6 hour shift. If the team doesn't provide and maintain the 8 member crew during the assigned shift the Association will adjust the final payment accordingly. Please note that all eight members on duty must be at least 15-years of age. including two adults over the age of 18.

Each team that works a full shift will receive a check in the amount of \$400.00 which includes the \$300.00 payment for concession stand duty and the \$100.00 refund of their deposit. For scheduling purposes the association has determined that a maximum of three shifts may be available each weekend. Typical shifts are as follows:

First Shift – 7:00am – 1:00pm (Saturday only; time is fixed for start and stop)

Second Shift – 1:00pm – 7:00pm (Saturday only; time is fixed for start and stop)

Third shift – 9:00am – 4:30pm (Sunday only; time is approximate start and stop)

(Third shift will only be assigned if the Association has more than fifteen games scheduled at the venue on a Sunday. Sunday will be a 7 ½ hour shift due to the lower number of games being serviced.)

When scheduling shifts, every attempt will be made to assign you a shift on the same day that your team has a regular league game scheduled to be played at Legacy Park. Also, in the event that your originally assigned shift is rained out, your crew will be responsible for working the pre-assigned make up date.
